

3025 and 3026 hand and desk tallies

3025

3026

3026-4

The count on both the Hand and Desk Tally is incremented by pressing the easy-action thumb button on the top of the unit. Reset to zero is by use of the side mounted knob. The Desk Tally is simply a bench mounted version of the Hand Tally and is supplied with an integral pre-drilled mounting plate.

- **Simple to operate.**
- **Low cost.**
- **4 digit readout.**
- **Knob operated reset to zero on all models.**

Typical Application

- *Hand counting of people, livestock, trees
- *Desk counting of documents, voting papers
- *Stocktaking
- *Use in locations where there is no electricity supply
- *Traffic census
- *Production counting
- *Exhibition attendance
